

2024 giving outreach guide

Each year Grace Place encourages giving for special needs that enable us to Bring Hope—please consider giving to support the following ministries.

House of Neighborly Service

honservice.org

The Berthoud branch of HNS started in 1989. The Berthoud Life Center began in 2017 when Grace Place opened our Outpost building as hosts. Children, families and seniors can receive the help they need physically, emotionally, and mentally. In addition to many other services, basic necessities are provided, including: food, clothing, transportation vouchers, utility assistance, prescription assistance, and financial education.

Dream Makers

dreammakersproject.org

Dream Makers is on a mission to care for the fatherless by connecting the community to the needs of youth aging out of the foster care system. Support begins with meeting crisis needs (ex: food to get through the day). Once these needs are met, they are then able to dream bigger. Every “dream” listed on the website represents a life that is worthy of supporting. Together, we can remove the barriers standing in the way of these youth by supporting their financial stability, encouraging life skills, and developing job skills.

PEARL

pearlpromise.org

Founded in 2008, PEARL was established to help single parents and their dependent children move toward self-sufficiency by providing a variety of programs, including mentoring and encouragement, educational opportunities and scholarships, and a transportation program. PEARL, this year's Longmont Nonprofit of the Year, believes that in order to be effective services must be tailored to meet the needs of each individual single parent family.

Grace Place Mexico City

We have partnered with Pastors Rodolfo and Irene for the past 11 years since the launch of Lugar de Gracia. We would like to increase our support as they are actively looking to find a new worship location to accommodate their growing congregation. We are also raising funds to provide a kids camp and outreach events during a summer mission trip.

Grace Place Uganda

As a result of Pastor Clay's influence with Pastor Moses, a thriving church exists in Uganda's capital city called Grace Place. Pastor Clay and Selene have been invited to come to Africa to do teaching for a group of pastors and spouses through Grace Place Bible School.

Team Impact

team-impact.com

Team Impact is comprised of a unique combination of elite athletes and seasoned evangelists. They perform feats of strength in area schools, then present their testimonies and the gospel at evening meetings at churches. While some of the team travels full time, others also serve as pastoral staff in local churches - including our new youth pastor, Ron Waterman. We plan to host a Team Impact outreach event this spring.

Peru Church Dedication

Grace Place raised the funds to build a church and child development center in Peru near the Amazon River. We have also sponsored a number of Compassion kids there (along with our previous similar project in Ecuador). We plan to send a small team to dedicate the church and bring back a report.

Evangelical Covenant Churches of India

We have supported several projects such as church planting, outreach to prostitutes, motorcycles for pastors, and a child wellness program. We hope to continue supporting these worthy endeavors.

Local outreach

Grace Place supports various local outreach including: Car Care Clinic for single moms and widows; Larimer County Food Bank distribution twice a month; Kid's Hope USA, scholarships for Breakaway Camp; Front Range Church Planting Network; Benevolence assistance; and other strategic opportunities.

thank you

for all your constant and caring generosity!
