

**What God has
done through you
this year**

in Berthoud and beyond

2021

After closing our building for six months at the beginning of the pandemic and then reopening gradually, we were able to see **momentum build during 2021.**

While many are still *connecting primarily online*, we are back to three in-person gatherings on Sunday with an average of nearly 1000.

Our greatest number to celebrate is the **changed lives** represented by **143 baptisms.**

Breakaway Camp

Over 800 people were on our campus each day!

344

kids

camp

34%

indicating they
don't attend a
local church

Despite having to skip a year of the Father Daughter Dance in 2020, we were able to bring back this amazing event in 2021. This event is one way we give dads a “win” and show the heart of our Father God.

Outreach

Missions

Ecuador

Through the generosity of the Grace Place congregation we were able to fund the construction of two more classrooms, an office, and a motorcycle for Pastor Mery in Sabanillas, Ecuador.

This will allow for more people to come to the church and for Mery to travel safely when making home visits. They have also celebrated several baptisms in the community! God is at work!

Mexico City

Even though we were unable to travel to our sister church in Mexico City this year, we were able to donate funds in order for them to put on a VBS for the children in their community!

India

Grace Place provided scooter bikes to two pastors in order to reach more people in villages. Rev Ramdas serves in a place called Jawahr which is a hilly area with no transportation. Despite the difficulty, he has walked hundreds of miles in order to establish a small congregation in this remote area, to share the Gospel.

In one meeting, they were able to distribute Bibles in the local language to 250 people who were gathered. Through the gift of Grace Place, today these pastors will be able to reach more small villages.

Peru

All the funds to build the church and Compassion center in Peru were raised by Grace Place last December. This has allowed construction to take place quickly in 2021 and in December we sponsored 100 children in this community!

Missions

Food Truck Rally

We were able to bless our community this year by providing a monthly food truck rally on our campus.

We partnered with local food trucks and breweries, as well as local musicians to create a fun, family-friendly hang out for our community.

By highlighting a different non-profit each month we were able to build bridges to other organizations that care for our neighbors.

Grace Place Kids provided opportunities for children and families to experience Jesus outside of our Sunday experience. GP Kids held several community outreach events like a spring Kids Movie Night Out, Summer Break Outs in local parks, and Christmas at the Outpost. Kids Hope launched in-person mentoring in the fall of 2021, with 20 mentors meeting weekly with students after a long year of Covid restrictions and school closures.

Volunteers in children's ministry have a heart for Jesus and kids.

They work hard to build relationships in order for kids to be Known, Loved, and Empowered. They are truly advancing God's kingdom one child at a time. Each month, a volunteer is nominated by going above and beyond to live out our mission and values.

Kalli VanderTop

Kalli stepped into her calling and purpose by launching Tribe worship. She has connected kids and youth to serving by singing, playing instruments, mentoring and investing in them weekly. Kalli's passion for Jesus and teaching the heart of worship to young people is inspiring and invaluable to our ministry. Thank you Kalli for pouring your heart and soul into worship for kids!

Dakota Button

Dakota is one of our many youth leaders who serve in children's ministry each week. She steps up to fill any role that's needed from Host/Storyteller and Small Group Leader. She is always willing to stay an extra service, come to outreach events, and go the extra mile. Her desire to build relationships with kids is a beautiful example of Jesus's heart for children. Dakota took the next step in her faith journey and was baptized in September. We love you Dakota!

RJ

I've always felt a deep conviction to share the love of Christ with others but sometimes I would let my anxiety and fears get in the way of that. Serving the youth has helped me to break out of my comfort zone and to be comfortable being uncomfortable. I've always had a heart for the youth, and now that I'm fulfilling the calling God has put on my life there's this sense of joy and fulfillment that I can only find through serving. Sunday nights are my favorite time of the week!
