

## SESSION 2

### DISCUSSION GUIDE

## ROOTED

### THE BIBLE

Luke 9:37–40, 46–50; Psalm 27:1

### THE BIG IDEA

We keep growing when we keep learning.

**WHAT?** *What are we talking about?*

**NOW WHAT?** *What do we do about it?*

#### POLL

What's a fun fact you learned recently and where did you learn it from?

- Social media
- A friend or family member
- A book or article
- A podcast

#### QUESTIONS

- What's one lesson you learned as a kid you'll never forget? What made it so memorable?
- What's one thing you're confident you know a lot about?

#### SAY . . .

We're all experts (or experts-in-progress) in different ways and fields. But no matter how much we know, we will always have more to learn. That's not a sign of weakness! In fact, our willingness to admit we have more to learn is an important key to growth.

**SO WHAT?** *Why does it matter?*

#### DISCUSSION

- Have you ever struggled to learn or understand what someone was trying to teach you? Why was that idea so hard for you to grasp?
- Why do you think we're often hesitant to learn from someone who sees the world differently than we do? Can you think of any examples?
- After the disciples failed to help the little boy, what did they do and why were their actions misguided?
- Today, what are some ways Jesus-followers could cause harm by not being willing to learn or admit they were wrong?
- What are some fears we might need to face in order to be more humble learners?
- This week, what are some ways we can be more open to learning from God? From each other? From people outside our community?

#### PRAYER

#### ACTIVITY | Active Listening Challenge

Chances are you know someone with a different perspective on the world than yours. This week, ask them for a book or podcast recommendation and begin to read or listen to it. But don't use this as a chance to debate them! For now, just listen.
